

MySalesSuccess

Myprofile announces the release of a sales training tool to assist **SALES TRAINERS & MANAGERS** improve individual sales performance.

MySalesSuccess

MySalesSuccess can be described as a **personalised performance booster** for people involved in sales.

It focuses on the key element **essential** to every successful sale - **RELATIONSHIPS**

MySalesSuccess

Conducted online using the latest psychometric analysis tools, **MySalesSuccess** delivers an incredible amount of information about the way each selling and buying style behaves.

In less than 15 minutes a personalised report is emailed containing **practical sales psychology tailored to match the individual sales person's selling style.**

MySalesSuccess

Customers are **not carbon copies** of each other.

Understanding how to speed read their style and match your presentation to achieve success is essential to being a top sales achiever.

MySalesSuccess will teach you how to think like your customer and close every sale.

MySalesSuccess

The **sales process** starts by knowing who you are and how your **personal selling style** can make or break a sale.

Top sales professionals know their own personality traits.

MySalesSuccess identifies your selling style and describes how best you can interact with others to achieve peak sales performance.

MySalesSuccess

Sales Trainers & Consultants benefit by:

- Providing clients with a unique and tailored personal profile
- Adding a new dimension to sales training & workshops
- Creating enthusiasm with sales people
- Identifying personal sales talents and sales strengths
- Generating additional income

MySalesSuccess is a sales training resource used to identify individual sales talent and increase personal sales performance.

MySalesSuccess helps **Sales Trainers** identify:

selling styles

sales jobs people are best suited to

how customers like to buy

how to speed read customers
